Rimrock Vista

20-acre lot with spectacular view of the Beartooth and Pryor mountains. Located six miles from Laurel, Montana on a maintained county road. Property has creek bed with flowing spring water and meadow overlooking a canyon. There is a nice 3,560 sq. ft. manufactured home on a full basement with fire place, floor length windows, skylights, ground level deck and large second story deck. Several out buildings make it ideal for horses, including large 38' x 50' metal framed building, horse barn with enclosed area, corral with access to water, and storage areas. Covenants allow for a Cottage Business. The view is unbelievable, and the neighbors are friendly.
